## To Our Many Friends And Customers Of Former Private And Public Sales —

We appreciate very much the past patronage of our many friends during the nearly half century we have been producing registered Shorthorns. During that time we have had the pleasure of serving customers from the border on the North to as far as Louisiana on the South. Particularly too are we proud of our steady local customer demand within a close radius of the farm. We hope that this year's offering will please you as we believe it is of the most uniform high quality of any crop of cattle we have ever produced. With the exception of three lots, it represents the top of our 1943 calf crop. The offering is sired by our two herd bulls, Brawith Gold Nugget and Brawith Nugget, both sons of Brawith Rambler by Brawith Boy. This combination of herd sires has influenced the uniformity of modern type, thickness of fleshing and dark even colors that you will observe throughout the entire offering. To further intensify these highly desirable qualities we are mating the daughters of these two bulls to N. U. Royal Nugget, our choice of the sons of N. U. Gold Nugget, the 1942 Western National Stock Show champion bull.

A cordial welcome awaits you at the Swanson farm on September 26 at Estherville, Iowa. Remember the cattle will not be highly fitted but you will like them and further appreciate them for what **they will** and **can do** for you.

John Swanson & Sons.

These richly bred young beauties all sell. (left to right) Sarcasm 18th, Roan Violet 28th, Gloster Queen, Violet May 30th, Rosewood 97th, and Broadhooks Princess 10th.

The Swanson herd has been under the direct management of Harry and Ray Swanson, both very capable cattlemen for the past several years and their father, John Swanson, who has given over 50 years to the production of registered Shorthorns is still actively interested in the herd.

This is a wonderful opportunity to profit through purchases of cattle with nearly a lifetime of constructive breeding back of them.
